### **MA Series "Pit Style" Air Powered Dock Leveler**

McGuire® Company is pleased to introduce the MA Series line of "Pit Style" air powered dock levelers. The McGuire MA series is an excellent choice in an environmentally conscious world. The usage of low voltage power that reduces energy usage, the air operation that does not require any hydraulic fluid or cylinders and the low maintenance easy to clean design all join together to make this a wise choice in times of resource conservation. The MA is available in widths of 6', 6'6", and 7', and lengths of 6', 8', and 10" and capacities of 25 – 55,000 lb CIR (Comparative Industry Rating).

McGuire, a division of Systems Incorporated®, is a leading manufacturer of hydraulic and mechanical dock leveling equipment. McGuire also provides complete loading dock solutions, including vertical storing levelers, truck restraints, truck levelers, bascule bridges, dock seals and shelters, dock lights, overhead doors, communication packages, control panels, safety barriers, and maintenance/service packages. For more information on McGuire and its products call 1.800.624.8473.
